

The Eastern world, it is explodin'
Violence flarin', bullets loadin'
You're old enough to kill but not for votin'
You don't believe in war, but what's that gun you're totin'?
And even the Jordan river has bodies floatin'

But you tell me over and over and over again my friend
Ah, you don't believe we're on the eve of destruction

Don't you understand what I'm trying to say?
Can't you feel the fear that I'm feeling today?
If the button is pushed, there's no running away
There'll be no one to save with the world in a grave
Take a look around you boy, it's bound to scare you, boy

But you tell me over and over and over again, my friend
Ah, you don't believe we're on the eve of destruction

Yeah, my blood's so mad, feels like coagulatin'
I'm sittin' here just contemplatin'
I can't twist the truth, it knows no regulation
Handful of Senators don't pass legislation

And marches alone can't bring integration
When human respect is disintegratin'
This whole crazy world is just too frustratin'

And you tell me over and over and over again my friend
Ah, you don't believe we're on the eve of destruction

Think of all the hate there is in Red China
Then take a look around to Selma, Alabama
Ah, you may leave here for four days in space
But when you return, it's the same old place
The poundin' of the drums, the pride and disgrace
You can bury your dead but don't leave a trace
Hate your next door neighbor but don't forget to say grace
And you tell me over and over and over and over again my friend
You don't believe we're on the eve of destruction
You don't believe we're on the eve of destruction

When you're weary
Feeling small
When tears are in your eyes
I'll dry them all
I'm on your side
Oh, when times get rough
And friends just can't be found

Like a bridge over troubled water
I will lay me down
Like a bridge over troubled water
I will lay me down

When you're down and out
When you're on the street
When evening falls so hard
I will comfort you
I'll take your part
Oh, when darkness comes
And pain is all around

Like a bridge over troubled water
I will lay me down
Like a bridge over troubled water
I will lay me down

Sail on silver girl
Sail on by
Your time has come to shine
All your dreams are on their way
See how they shine
Oh, if you need a friend
I'm sailing right behind

Like a bridge over troubled water
I will ease your mind
Like a bridge over troubled water
I will ease your mind

Bridge Over Troubled Water lyrics © Paul Simon Music

There's a lady who's sure all that glitters is gold
And she's buying a stairway to heaven
When she gets there she knows, if the stores are all closed
With a word she can get what she came for
Ooh, ooh, and she's buying a stairway to heaven

There's a sign on the wall, but she wants to be sure
'Cause you know sometimes words have two meanings
In a tree by the brook, there's a songbird who sings
Sometimes all of our thoughts are misgiven You know

There's a feeling I get when I look to the west
And my spirit is crying for leaving
In my thoughts I have seen rings of smoke through the trees
And the voices of those who stand looking That's you

And it's whispered that soon, if we all call the tune
Then the piper will lead us to reason
And a new day will dawn for those who stand long
And the forests will echo with laughter Remember laughter?

Oh yeah, yeah, yeah...

And it makes me wonder
If there's a bustle in your hedgerow, don't be alarmed now
It's just a spring clean for the May queen
Yes, there are two paths you can go by, but in the long run
There's still time to change the road you're on

Your head is humming and it won't go, in case you don't know
The piper's calling you to join him
Dear lady, can you hear the wind blow, and did you know
Your stairway lies on the whispering wind?

And as we wind on down the road
Our shadows taller than our soul
There walks a lady we all know
Who shines white light and wants to show
How everything still turns to gold

And if you listen very hard
The tune will come to you at last
When all is one and one is all, that's what it is
To be a rock and not to roll, oh yeah And she's buying a stairway to heaven

There's something happening here But what it is ain't exactly clear
There's a man with a gun over there Telling me I got to beware
I think it's time we stop Children, what's that sound?
Everybody look, what's going down?

There's battle lines being drawn Nobody's right if everybody's wrong
Young people speaking their minds Getting so much resistance from behind

It's time we stop
Hey, what's that sound?
Everybody look, what's going down?

What a field day for the heat (Ooh ooh ooh)
A thousand people in the street (Ooh ooh ooh)
Singing songs and they carrying signs (Ooh ooh ooh)
Mostly say, "Hooray for our side" (Ooh ooh ooh)
It's time we stop
Hey, what's that sound?
Everybody look, what's going down?
Paranoia strikes deep
Into your life it will creep
It starts when you're always afraid
Step out of line, the men come and take you away

We better stop
Hey, what's that sound?
Everybody look, what's going down?

You better stop
Hey, what's that sound?
Everybody look, what's going down?

You better stop
Now, what's that sound?
Everybody look, what's going down?

You better stop
Children, what's that sound?
Everybody look, what's going down?

Like a foolish dreamer, trying to build a highway to the sky
All my hopes would come tumbling down, and I never knew just why
Until today, when you pulled away the clouds that hung like curtains on my eyes
Well I've been blind all these wasted years and I thought I was so wise
But then you took me by surprise

Like waking up from the longest dream, how real it seemed
Until your love broke through
I've been lost in a fantasy, that blinded me
Until your love broke through

All my life I've been searching for that crazy missing part
And with one touch, you just rolled away the stone that held my heart
And now I see that the answer was as easy, as just asking you in
And I am so sure I could never doubt your gentle touch again
It's like the power of the wind

Like waking up from the longest dream, how real it seemed
Until your love broke through
I've been lost in a fantasy, that blinded me
Until your love, until your love, broke through

I have finally found a way to live
Just like I never could before.
I know that I don't have much to give,
But I can open any door.

Everybody knows the secret,
Everybody knows the score.
I have finally found a way to live
In the color of the Lord.

I have finally found a place to live
Just like I never could before.
And I know I don't have much to give,
But soon I'll open any door.

Everybody knows the secret,
Everybody knows the score.
I have finally found a place to live
In the presence of the Lord.
In the presence of the Lord.

I have finally found a way to live
Just like I never could before.
And I know I don't have much to give,
But I can open any door.

Everybody knows the secret,
I said everybody knows the score.
I have finally found a way to live
In the color of the Lord.
In the color of the Lord.

I can't stop this feelin'
Deep inside of me.
Girl you just don't realize
What you do to me.
When you hold me in your arms so tight,
You let me know everything's alright.
Iiiiiiiiiiiiiiiii'm...
Hooked on a feelin',
I'm high on believin'
That you're in love with meeeeeee.

Lips are sweet as candy,
The taste stays on my mind.
Girl, you keep me thirsty
For another cup of wine!
I got it bad for you, girl,
But I don't need a cure.
I'll just stay addicted,
And hope I can endure!
All the good love, when we're all alone.
Keep it up, girl, yeah you turn me on.
Iiiiiiiiiiiiiiiii'm...
Hooked on a feelin',
I'm high on believin'
That you're in love with meeeeeee.

All the good love,
When we're all alone,
Keep it up, girl,
Yeah you turn me on.
Iiiiiiiiiiiiiiiii'm...
Hooked on a feelin',
I'm high on believin'
That you're in love with meeeeeee.

I'm hooked on a feelin'!
And I'm high on believin'
That you're in love with meeeeeee.
I said I'm hooked on a feelin',
I'm high on believin'
That you're in love with meeeeeee.

Hooked On A Feeling lyrics © Sony/ATV Music Publishing LLC

When I die and they lay me to rest
Gonna go to the place that's the best
When I lay me down to die
Goin' up to the spirit in the sky

Goin' up to the spirit in the sky (spirit in the sky)
That's where I'm gonna go when I die (when I die)
When I die and they lay me to rest
I'm gonna go to the place that's the best

Prepare yourself you know it's a must
Gotta have a friend in Jesus
So you know that when you die
He's gonna recommend you
To the spirit in the sky (spirit in the sky)

Oh he'll recommend you to the spirit in the sky
That's where you're gonna go when you die (when you die)
When you die and they lay you to rest
You're gonna go to the place that's the best

Never been a sinner, I never sinned
I got a friend in Jesus
So you know that when I die
He's gonna set me up
with the spirit in the sky

Oh set me up with the spirit in the sky (spirit in the sky)
That's where I'm gonna go when I die (when I die)
When I die and they lay me to rest
I'm gonna go to the place that's the best
Go to the place that's the best
