Group Health Insurance is a frequent concern for those in ministry. Most clergy are employed by small churches or organizations which do not provide health insurance, while many others are "self employed."

We refer most of our members to NAE's group health provider, Kuffel, Collimore and Co., 1761 S. Naperville Rd. Naperville, IL 60187, Phone, 1-800-488-4302. The email of the associate there that we most often work with, (Cecille Brechin) is cecilleb@iwic.net.

Another option for you to consider is with another health coverage program called Samaritan Ministries, Int'l. You may call them at 1-888-2-OTHERS or look at their website at: www.samaritanministries.org.

Humana One, Phone number: 877-877-4380 offers health plans

Christian Care Medi-Share, Phone: 800-772-5623 is also an option.
